Registering for: [Choose one] Engineering League: _____ Apprentice League: _____

Engineering League – Cost \$200. Practice will be after school on Mondays for 1.5 hours. Two separate tournament fees are included in the cost of this registration. All tournaments are in St. Cloud and surrounding area. Participants are strongly encouraged to attend two tournaments. State and World Championship fees are not included. Student must have completed one year of robotics or have attended a VEX camp to participate. Please see separate Camp Registration form for sign-up - August 6th-8th – 8:30-3:30pm @ St. Francis.

Engineering League – Student's T-shirt Size: YS _____ YM _____ YL _____ YXL _____ AS _____ AM _____

Apprentice League – Cost \$150. Practice will be after school on Tuesdays for 1.5 hours. League will run from September through mid-December. Apprentice League will not be participating in tournaments. This league is for students new to robotics. They will be learning the fundamentals of the VEX IQ kits, programming and engineering Design Process. After one year in the Apprentice League, students will be ready to promote to the Engineering League. There is a lot to learn!

****Non-refundable deposit of \$50.00 is due by June 15th and will be applied toward program fee. Final Payment of the remaining fee is due by August 20th.**

Space for these leagues is limited [Engineering League – 16. Apprentice League – 12]. Please don't hesitate as students will be enrolled on a first come, first served basis. Please contact Gina Walker at ginamwalker@gmail.com if you have any questions about either league or robotics in general.

Students will have until September 28th to withdraw from the program if they feel it's not right for them.

By signing below, I acknowledge that I am registering my child in the VEX IQ Club afterschool program and deposit is non-refundable.
